

Central Bull Test & Select Heifer Sale

3:00 PM May 15, 2003 - Middleburg, PA

Welcome to the Central Bull Test and Select Heifer Sale. In this sale you will find some of the finest Highland cattle available in North America. Whether you are just establishing your fold, or looking to improve on your genetics, this sale will have something for you.

The bulls in this catalog are the top calves from leading breeders around the country. Only the top 70% of these bulls will make the sale. Complete performance results will be available sale day, including ultrasound data, semen and scrotal evaluation, plus the 140 day test results. These bulls are halter broken and ready to work for you!

For updated results and photos of the bulls go to the Central Bull Test web site at www.highlandcattle.org

The heifers in this sale are some of the leading young females in the Highland breed. There are 10 open, ready to be bred two-year-olds and 4 yearlings. The yearlings are all sired by performance tested bulls. Many of these heifers are directly from the consignors show strings and all are top quality.

Trucking will be available to many parts of the US. If you are interested in a bull but cannot make the sale, let us know and we will try to help. If you have any questions or need help arranging trucking etc., please call any of the consignors or me at (315) 691-2327

William Lipsey

GENERAL INFORMATION

Sale Location: Middleburg Auction Barn, Middleburg PA

Schedule: Sale Time 3:00 PM Saturday May 15, 2004

The cattle will be available for inspection on Friday evening and on Saturday morning. The Sale will be held in conjunction with the NEHCA annual meeting

Sale Headquarters: Quality Inn Suites, Shamokin Dam, PA (570) 743-1111

Auctioneer: Dick LeClar, LeClar Brothers Auction Service

Terms & Conditions: All animals sell under the Terms and Conditions recommended by the American Highland Cattle Association.

Health: All animals will be accompanied with the proper health certificates for immediate shipment within the United States.

KEY TO DATA

Birth Weight: The actual birth weight of the animal if provided.

205 Day Weight: Weaning weight adjusted to 205 days and for the age of dam. If the animal was not weighed at weaning, "NA" is listed.

Projected 365 Day Weight: Projected yearling weight based on the 112 day weight. The actual yearling weight will be calculated based on the final test weight.

Start Weight: The initial test weight taken on 12/8/03

112 Day Weight: Fourth test weight taken on 3/29/04

ADG: The Average Daily Gain on the test ((112 day wt.- start weight)/ 112)

WPDA: Weight per day of age. 112 day weight divided by the days of age.

Directions

The Middleburg Auction Barn is located south of Route 80 and approximately 35 miles north of Harrisburg PA.
